

# NEW HOMESCHOOLER TIPS

---

- There is no academic emergency.
- Remember your home is not a school.
- Observe your child, their interests & aptitudes.
- Ask yourself: What is an Education?
- Observe learning opportunities.
- Consider kids' interests in subject areas.
- Create memories.
- Create a routine, not a schedule.
- Siblings help siblings.
- Encourage independent study.
- Check in with kids, don't hover.
- Start mornings with math.
- Include the outdoors. Exercise everyday.
- Limit screen time, then wield it.
- Have communal quiet time.
- Give wide breadth for friends. Online.
- Time to build relationship.
- Expect a pressure cooker.
- Explore learning philosophies.
- Expect them to cook.
- Include them in your work.
- Learn about learning.
